5. Japan
6. Croatia
7. Russia
8. Finland
9. Estonia
10. Lithuania

Chair Report

The Tver region is northwest of Moscow, on the way to Saint-Petersburg. This part of Russia is famous for its natural landscapes and cultural heritage. Dense taiga forests, numerous lakes, the source of the Volga River, historic towns and medieval monasteries feature in its geography.

The Olympiad was hosted at the “Computeria” youth recreation and educational center, 200km from Moscow.
